# The Benefits Of Outsourcing

- Saves time

- Save money

- Focus on your business

- More done for less effort

- Challenges

    - Where to find people

    - When is it time to outsource

    - How do you manage the people

- Solutions

    - People: Online, **Networking**

    - When: you're in overwhelm, doing lots of admin – break down into systems & processes

    - Manage – create clear plans

**Work less and focus on your genius!**
